Center stage during the April 28 AARP Chapter 4903 luncheon were the Fabulous Tapsations, a senior women's tap dancing troupe. These enthusiastic ladies share a true passion for tap dancing, skillfully performing more than 175 original tap routines with precision and style.

Rich Foti is the show's soloist and master of ceremonies. The Tapsations have repeatedly performed for this AARP Chapter because they have been invited back again and again.

The AARP luncheon set for noon Wednesday, May 25, will feature Christopher W. Baldt, DC, chiropractic physician. He has been in private practice serving the residents of Delaware since 1989. The luncheon and presentation is \$12 for chapter members, \$13 for nonmembers.

For more information, contact John Ballantyne at 302-945-3302 or email [jbhallantyne1@earthlink.net](mailto:jbhallantyne1@earthlink.net).

Rich Foti joins the Tapsations dancers as the audience shares in singing about rain during the closing act of the performance at the AARP Chapter 4903 luncheon. Shown are (l-r) Rich Foti, Sharon Kreitzer and Joyce Fitch. (Source: Submitted)
